

a brand refresh

THE BRAND stansure strata

For over 25 years, Stansure Strata has been providing strata management services to properties across Queensland. With a clear goal to grow, they approached us to create a brand identity consistent with their grand vision.

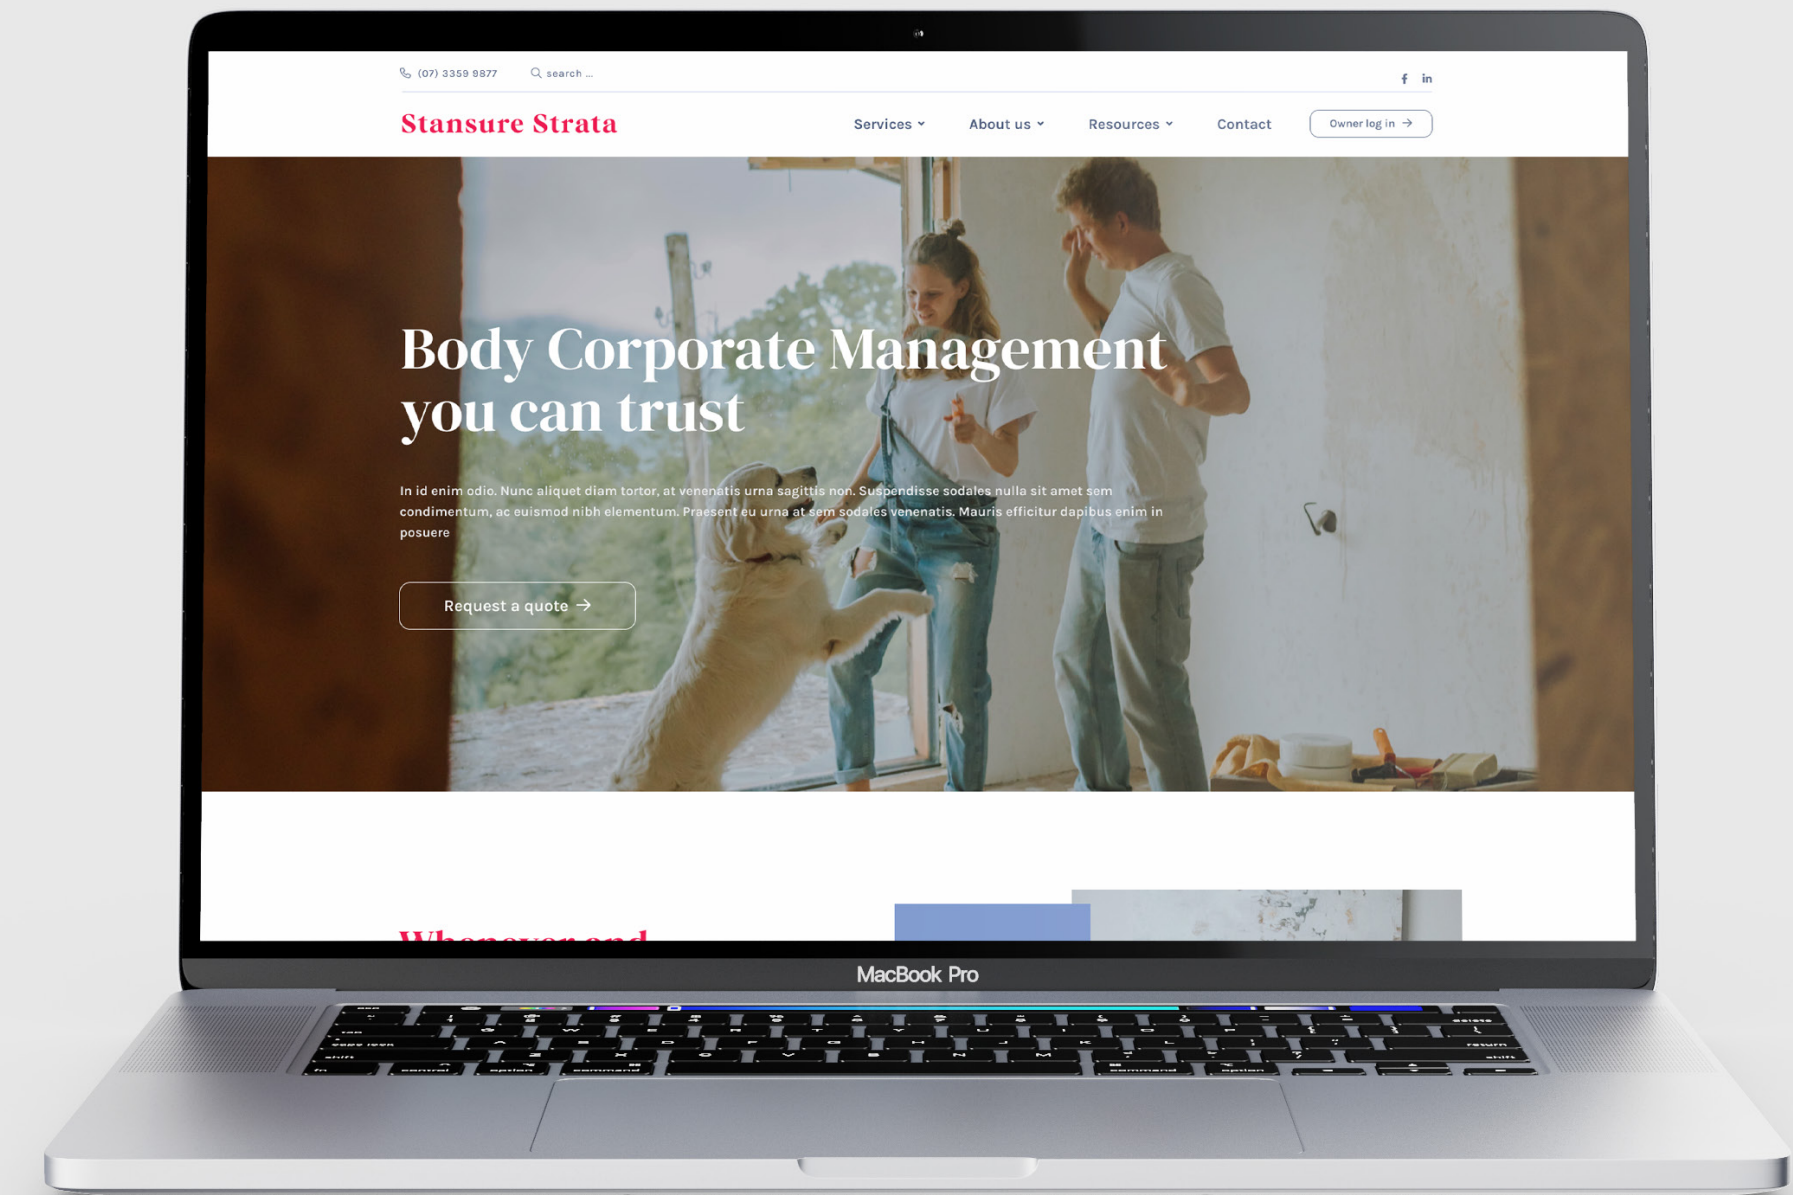

THE BRIEF

Stansure Strata's existing brand identity was dated and lacked a distinct personality to stand out from the competition. We set about creating a contemporary brand identity that added a bit of warmth and personality that still felt approachable and trustworthy.

services we provided

Strategy • Branding • Design • Website • Copywriting

Thanks to businessDEPOT, we have gained a newfound confidence in our brand and marketing efforts. They have not only helped us create a visually appealing brand and user-friendly website, but they have also provided ongoing support and guidance to ensure their success. We are grateful for their expertise, dedication, and the positive results we have experienced since partnering with them.
